Medical Concerns

We will contact parents for all injuries or illnesses requiring more than a band-aid or light icing. If a parent decides to have us take a camper to a local doctor, we will either pay for the visit at the time of services, or use the camper's insurance if acceptable to the doctor.

Parents will be required to reimburse the camp prior to check-out for any medical expenses, and they can then file with their insurance.

In emergency situations, we will contact parents as quickly as possible. Good Shepherd Family Health Center or the Good Shepherd Medical Center-hospital will be used for emergencies, and the same payment procedure will be used.

If your child has any special medical conditions, such as allergy to :medicines, insects, foods, or asthma, hyperactivity, sleepwalking, etc. please let us know at check-in if you have not already indicated the information on the application.
